

GoodLife[®]

CORPORATE WELLNESS

WORK. LIFE. BALANCE.

As per the public announcement made earlier this week, we have made the decision to close operations at all of our Clubs effective **Monday, March 16 until further notice**, to ensure we are doing our part to flatten the curve and impact of COVID-19.

All memberships have been put on hold and all associated payments were stopped Tuesday, March 17th. Corporate members who have purchased a Paid-in-Full annual membership will receive an extension to their current expiry date reflective of the total time our clubs remain closed.

Corporate Partners who receive a monthly invoice will receive a credit for the current closure period of “March 16th - March 30th” on the April invoice. Should our club closure extend beyond this time period, all additional credits will be reflected on the following monthly invoice. Given the uncertainty around the COVID-19 situation and the ongoing developments, we recommend pausing all payroll deductions for GoodLife corporate membership fees until further notice.

In an effort to support our members during this challenging time, we are excited to offer complimentary access to Les Mills On Demand! This includes over 100 at-home workouts that are available for FREE throughout the duration of our closure.

We will continue to work through these changes and updates daily and will keep you apprised of all pertinent information.
